## Attention: Pirates ahead!

In the wink of an eye pirates have captured kids' hearts and their symbols entered our kids' rooms. You will definitely see bright eyes when children discover the pirate fleet in your kids' area. The pirate nest unites the product variety of the beach landscape on pages 40 and 41 with the combination options of the castle world on the previous pages to a true adventure world in your library. Imagine what treasures can be discovered!

Please add the selected colour code to the last digit of the Order No.
