## BASKET CHAIR

### Description:

#### Colorful beach baskets

Inspired by the functional beach baskets, BASKET is designed as an integrated modular system with two different back heights, which allows you to co-create and design your seating just as you like it. The intelligent sofa is a great setting for an intimate and cosy time alone or with friends, family or colleagues. The BASKET armchair comes with a swivel or fixed base.

The BASKET poufs can be used as a footrest or a side table.

Year of design: 2011

BASKET lets you arrange your seating just as you like. This intelligently designed sofa provides a great setting for an intimate and cosy time alone or with friends, family or colleagues. BASKET is an all-around concept suited to both work and private spaces.

### Function:

Both the chair and the sofa can be ordered with two different back heights 97 cm (38.2") and with an extra top that has the back height 127 cm (50").
